

**ANTICIPATED ASSISTANT INSTRUCTOR/VISITING LECTURER
IN AVIATION TECHNOLOGIES**

The College of Applied Sciences and Arts (ASA) at Southern Illinois University Carbondale is seeking a qualified applicant for a position as an Assistant Instructor/Visiting Lecturer beginning January 19, 2010. The person in this position will teach in the FAA Part 147 A&P curriculum in the baccalaureate degree program in Aviation Technologies. This is a term position and does not lead to tenure.

Required Qualifications: Earned Bachelor's degree (Assistant Instructor); at least one degree in an aviation-related discipline; Possess a valid A&P certificate.

Preferred Qualifications: Earned Master's degree (Visiting Lecturer); Teaching experience in aviation maintenance; Three years industry experience in aviation maintenance related field; Inspection Authorization.

Responsibilities: Teaching responsibilities include: Instruction in the FAA-approved Part 147 Airframe and Powerplant curriculum; Maintaining class records as required by SIUC and FAA; Participation in program/department support activities; Perform maintenance on laboratory equipment; Other assignments as determined by the Department Chair.

Application Deadline: November 6, 2009, or until acceptable applicant is found.

To apply: send letter indicating position of interest, current resume, and names, addresses, and telephone numbers of three discipline related references to:

Michael A. Burgener, Chair
Department of Aviation Technologies
Mail Code 6816
Southern Illinois University Carbondale
Carbondale, IL 62901

SIUC is an affirmative action/equal opportunity employer that strives to enhance its ability to develop a diverse faculty and staff and to increase its potential to serve a diverse student population. All applications are welcome and encouraged and will receive consideration.
