Terms of Application

This application may result in a tuition waiver (not a cash award) to be applied toward partial or full payment of tuition charges during the semester(s) specified in the award notification letter. This waiver can be applied only to tuition; it will pay no other fees or charges of any kind. If an award recipient transfers from CASA to any other school or college, or is enrolled for less than full-time credit (as defined for the semester of enrollment), the recipient will relinquish all rights to the award.

Applicants must be enrolled at SIUC and attending classes on the Carbondale campus at the time of application and during the fall semester preceding application. Students enrolled in off-campus programs are not eligible for this tuition waiver. Applicants may apply for only one (1) semester in an academic year, but may apply each academic year of enrollment at SIUC.

Applicants MUST ATTACH to this form: 1) a copy of an SIUC transcript (unofficial is acceptable), and 2) a typewritten statement indicating financial need, academic merit for the award, and extracurricular and community/volunteer activities. Correct grammar, spelling, and overall neat appearance are requisite qualities for this typewritten statement.

Applicants must maintain an overall SIUC GPA of at least 3.0 and full-time enrollment status. As an applicant for a tuition waiver award from Southern Illinois University Carbondale, I understand that the University has the legal authority to release my name and address, the name of my former high school or college, the name of my award, and the award amount. This release is valid for the period of time the tuition waiver is in effect.

I understand that this is only an application to be considered in competition if minimum qualifications for the award are satisfied. I understand that withholding requested information or falsifying any information might result in denial or loss of the tuition waiver. This application must be signed and dated below by the applicant. By signing below, the applicant states he/she has read and understands the information presented on this application.

Students are strongly encouraged to visit http://www.siu.edu/~asa/asaschool.htm for detailed application instructions.
